# PANETTONI & PANDORI

SEASONAL CAKES

## PANETTONE & PANDORO

Hailing from northern Italy, panettoni and pandori are rich, fluffy cakes traditionally served around the holidays. Native to Milano, panettone is typically studded with candied fruit and raisins and made with natural yeast that takes three days to rise. Its Veronese cousin, the pandoro, is traditionally dusted in powdered sugar and made using three doughs folded together. Pair the holiday cakes with a cup of coffee for an afternoon pick-me-up, or serve as an after-dinner dessert with sweet spreads, preserves, and chocolates
